

Thinking Cap Spanish installation guide

Thinking Cap Spanish can be used on any Alexa device, mobile phone or tablet. This document describes how to install Thinking Cap Spanish Alexa skill on your mobile device. We will be glad to help you out if you get stuck at any point, just email us at michael@thinkingcapinnovations.com or give a call +1-(857)-239-0882

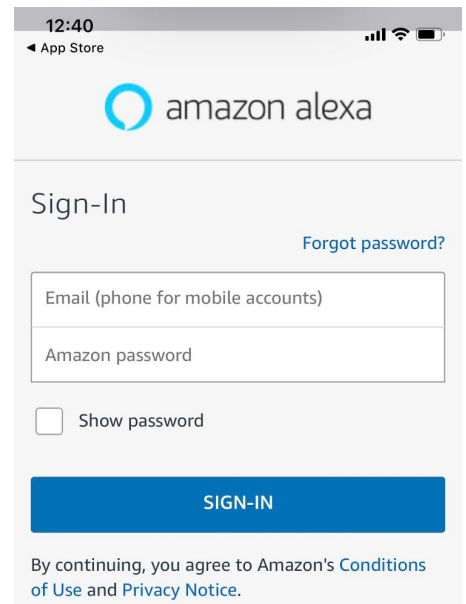

1. Install Amazon Alexa mobile app on your phone or tablet.

Search for **Amazon Alexa** app in the iOS App Store or in the Android Google Play Store, and install it on your mobile device.

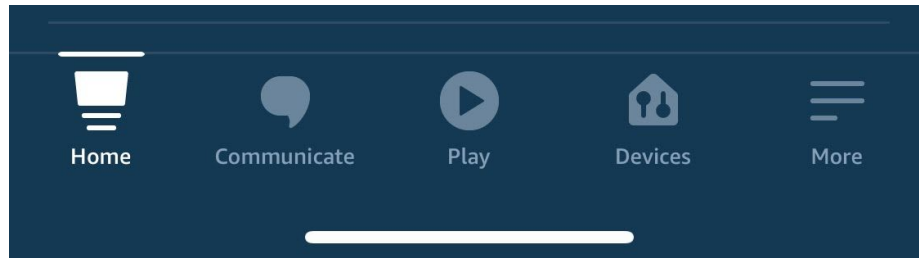

2. Open Amazon Alexa app on your phone/tablet

Allow the app to use your Bluetooth connection when asked to do so, and sign in with your Amazon Account.

3. Tap the **More**  button at the bottom of the screen.

4. Choose **Skills & Games**.

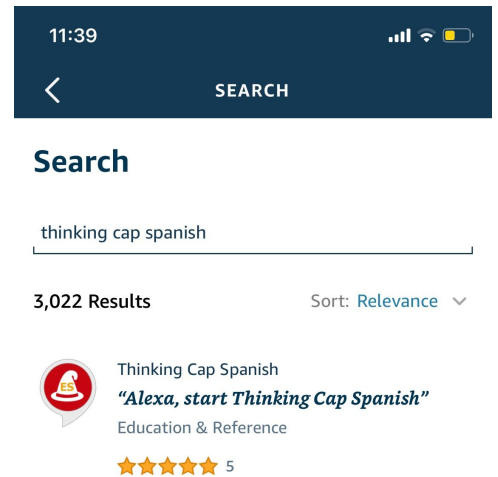

5. Search for Thinking Cap Spanish

In the top right corner, tap the search button (a magnifying glass)...

...and type Thinking Cap Spanish.

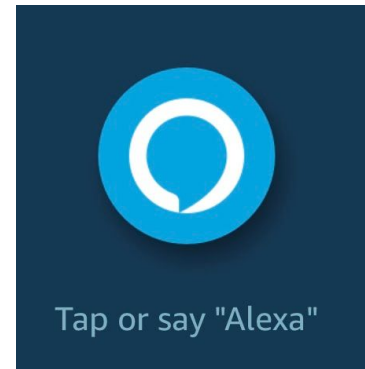

6. Enable the skill.

Choose Thinking Cap Spanish and tap the **ENABLE TO USE** button.

7. Start practicing Spanish

To start using Thinking Cap Spanish, tap the round blue button on the Home screen of the Alexa app... and say, "start Thinking Cap Spanish".

Enjoy using Thinking Cap Spanish! We will be super glad to provide any assistance you might need, as well as to hear from you about how much you're enjoying the program :).
